GRANDI ESPRESSI LAVAZZA

Alteco Organic Blend - certified organic blend

An assortment of the best arabica coffee beans from the peaks of Central America, blended with robusta coffee beans from plantations engaged in organic farming in which principles of environmental sustainability are applied.

Composition: 60% Arabica - 40% Robusta

Body: structured

Aroma: hints of honey and dried fruit, aftertaste of chocolate and spicy bitter cocoa nuances

Kafa Forest Coffee - arabica single origin

100% Arabica

Kafa is one of the finest coffees in the world. 100% arabica from the Ethiopian forest, where coffee grows spontaneously on unspoiled and naturally fertile land. Cherries are selected by hand and sun-dried on suspended nets.

Body: pronounced structure

Aroma: intense floral notes, aftertaste of honey and dates with hints of ripe cherry

Fresh Roasted

San Fedele Blend n.1 - roasted in Piazza San Fedele

100% Arabica

Composition: Ethiopia - Guatemala - El Salvador

This blend combines three premium coffee origins and is enhanced by the natural drying processes and fruity notes of the Ethiopian Kafa Forest and the Guatemalan El Morito beans. The component from El Salvador yields chocolate and floral undertones.

Body: delicate

Aroma: ripe fruit such as cherry and melon, floral and sweet aftertaste notes

*San Fedele Blend n.1 is also available in beans
or ground to be tasted at home with moka or espresso machine.*
