

Sei nella seconda galleria detta La FABBRICA.

Qui scopriamo il viaggio del caffè.

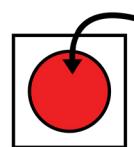

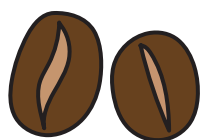

Dal frutto fino alla tazzina.

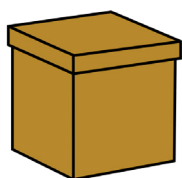

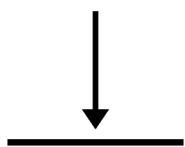

Sopra i banconi ci sono la pianta del caffè, il

chicco verde, il chicco tostato,

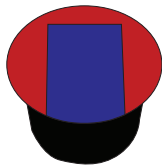

il caffè macinato, la bevanda nella tazzina.

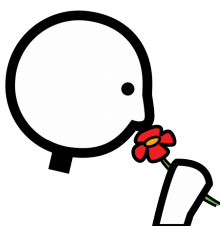

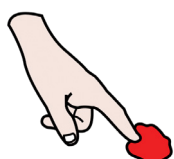

LAVAZZA

Ci sono le confezioni del caffè Lavazza:

lattine, sacchetti, cialde, capsule.

Divertiti a toccare e ad annusare.
